

Come to the 13th Annual State Youth Court Conference

at the Davis Conference Center* 1651 N. 700 W.* Layton, Utah, June 23 -26, 2010
and you can...

- **Celebrate** the amazing work being done...
- **Connect** with your peers in other communities across the state...
- **Inspire** others with your own success stories...
- **Build** on individual leadership skills...
- **Learn** new ways to take action in your community every day...
- **Participate** in a local service project that will benefit our host city...

NEW THIS YEAR:

We are offering to attend one day of the conference for only \$30.

See flyer inclosed.

It is in Layton so please let the youth know they can come during the day and don't need to stay at the hotel. (For those in Davis and Weber Counties.) This will save them money and they can enjoy the conference. And they won't need the adult supervision that is needed when they stay at night.

There is a Public Service Announcement (PSA) contest. We ask your youth court to make a PSA promoting youth court or about a current issue for youth. Such as underage alcohol drinking, tobacco, sexting, texting, etc.

You can bring more than one. See attached guidelines for Anti- Drug Media.

This will be a great conference and we hope you and your courts are able to attend.

Any questions on this, please feel free to call
